Goodwood is thrilled to announce that tickets for its headline motorsport events are now on sale at [goodwood.com](#), offering fans of all ages a great day out at the Festival of Speed presented by Mastercard and Goodwood Revival.

The past year at Goodwood has been truly memorable - whether at the Festival of Speed which marked its 30th anniversary or at the Revival which celebrated its 25th - as we welcomed back four-time Formula 1 World Champion Sebastian Vettel to the Festival of Speed, watched Sir Jackie Stewart reunite with his championship-winning Tyrrell 006 and held our first all-sustainable fuel race at the Revival. And the 2024 events are set to be just as spectacular.

With the return of the Festival of Speed in July, visitors can expect to meet motorsport champions and racing legends spanning many disciplines including Formula 1, MotoGP, Le Mans, WRC, WEC, Isle of Man TT, Extreme E, Formula E and more. Impressive examples of four and two-wheeled machinery will take to the action-packed hillclimb, Forest Rally Stage and Off-Road Arena, while over in the paddocks, there's the opportunity to get up close to some of motorsport's greatest teams and machines, including in the F1 Pit Lane presented by Sky. Having appreciated the incredible technology on display in the paddocks, event-goers can venture over to Future Lab presented by Radox to discover the revolutionary new ideas, inventions, concepts and innovations of tomorrow. Elsewhere, Electric Avenue provides a chance to explore the very latest electric cars and alternative fuels, while the Cartier Style et Luxe Lawn concours d'elegance features classics full of character, celebrating automotive design and elegance.

In September, the Goodwood Revival's immersive celebration of fashion, vintage lifestyle and wheel-to-wheel racing makes a return to the historic Goodwood Motor Circuit. Visitors can expect memorable demonstrations and tributes dedicated to renowned cars and racing icons, with Formula 1 drivers, Le Mans and BTCC champions and Isle of Man TT winners taking to the track. Arguably the most competitive race across the weekend, is the Settrington Cup, which is contested by children aged 4 - 11 in Austin J40 pedal cars, while the Freddie March Spirit of Aviation presented by Bonhams|Cars sees some of the most elegant and rarely seen machines from aviation vie for first place. Away from the track, Revival revellers can visit the Revival High Street to find the perfect accessory to complete their outfits, put the finishing touch to their look with stunning hair styles at Betty's Salon and visit the Revive & Thrive Village for the ultimate celebration of second-hand style. The fun continues Over The Road as attendees can enjoy all kinds of festivities from the vintage fairground, to the Revival Cinema presented by Sky Cinema and the Revival Car Show.

Further details of specific celebrations at the 2024 events will be announced in the coming months.

About the Goodwood Revival

The Goodwood Revival is the world's greatest historic motor race meeting, and the only sporting event of its kind to be staged entirely in a period theme. More than just an unrivalled weekend of historic racing, it is an immersive celebration of a less disposable world, where "make do and mend" was a way of life rather than a casual slogan.

The Revival is, at its heart, a celebration of craftsmanship and sustainability, from an age when possessions were made to last and be cherished. It promotes a thoroughly modern ethos – to "reduce, reuse, repair, restore and recycle" – in the most authentic way possible. All the cars are original, having been lovingly maintained since new, many of the outfits have been handed down through generations, and even the retailers specialise in pre-owned artefacts – everything from clothes and accessories to automobilia and books.

It is, proudly, the world's biggest and most glamorous second-hand event.
