Goodwood is delighted to announce the confirmed race schedule for the 83rd Members' Meeting presented by Audrain Motorsport, which promises to deliver fast-paced action and fierce competition. With two brand-new races, adding fresh variety and spectacle to the weekend, the Goodwood Road Racing Club (GRRRC) can look forward to twelve thrilling on track battles.

All races at 83rd Members' Meeting will run on sustainable fuel, with every competitor required to use a blend containing at least 70% advanced sustainable components.

Saturday

Hailwood Trophy Part One (ft. Sheene Trophy) - Returning

The Hailwood Trophy is the only motorcycle race to feature on the Members' Meeting race list and comprises two parts, with final placements determined with a combined result on Sunday. Across the weekend, members of the GRRRC can expect to see a lineup of classic 250cc and 350cc Grand Prix motorcycles take to the track, alongside Formula 750 machines.

Win Percy Trophy Part One - Returning

Following its successful debut at the 82nd Members' Meeting, the **Win Percy Trophy** for Group 1 touring cars is set to return for an exciting 45-minute, head-to-head showdown. The two-part race will feature a diverse field of cars under 2.8 litres that competed between 1970 and 1982. **Part One** will see VIPs take to the track, while **Part Two** will showcase the Owner/Entrants in action.

S.F. Edge Trophy Part One - Returning

Across the weekend, the Edwardian giants of pre-1919 will take the track for two five-lap races, battling for victory in this firm fan favourite. Weekend ticket holders can enjoy these epic machines in action on both days of the event.

Protheroe Cup - New

Making its Members' Meeting debut, the Protheroe Cup is new for 2026 and marks the 65th anniversary of the Jaguar E-type. Named after legendary private entrant Dick Protheroe, the 45-minute, two-driver race will bring together the finest selection of pre-1963 racing E-types ever assembled.

Sunday

Derek Bell Cup - Returning

The Derek Bell Cup will bring Formula 3 racing action to the circuit. The exhilarating 20-minute race will consist of 1000cc Formula 3 cars, all of which were built between 1964 and 1970.

Hailwood Trophy Part Two

Bruce McLaren Trophy - Returning

Last held at the Goodwood Motor Circuit in 2016, the Bruce McLaren Trophy returns to the track after a decade. Spectators can expect to see a host of pre-1967 Can-Am and Group 7 Sports Cars in what will be the fastest race of the event.

Varzi Trophy - Returning

The Varzi Trophy also makes a welcome return to the Members' Meeting race list in 2026. Inspired by modern Grand Prix racing's forefathers, this race for vintage racers pays homage to a golden era of Grand Prix racing, 120 years since the very first Grand Prix.

Phil Hill Cup - New

The Phil Hill Cup is the second of two new races for 2026. Named for 1961 Formula 1 World Champion and multiple endurance race winner Phil Hill, the race takes inspiration from the great American sportscar races of the mid-1960s.

Gordon Spice Trophy - Returning

Following the introduction of a new format at the 82nd Members' Meeting, the Gordon Spice Trophy returns as a two-driver race for Group 1 touring cars over 2.8-litres that raced between 1970 and 1982. At the 83rd Members' Meeting, the format of the Gordon Spice Trophy will see a mid-race driver swap with VIPs battling it out to the finish.

S.F. Edge Trophy Part Two

Win Percy Trophy Part Two

Peter Collins Trophy - Returning

Returning to the Members' Meeting after an hiatus, the Peter Collins Trophy will welcome sportscars and production sports-racing cars which raced between 1950 and 1955 for a high-octane 20-minute race.

The 83rd Members' Meeting race schedule joins the previously announced demonstration to celebrate "The James Hunt Years" with a collection of Formula 1 cars from the 1970s.

Please note that while the races for the 83rd Members' Meeting presented by Audrain Motorsport are confirmed, the schedule is provisional and subject to change. A full timetable and entry list will be available in the final weeks preceding the event.
