About the Goodwood Revival

The Goodwood Revival is the world’s greatest historic motor race meeting, and the only sporting event of its kind to be staged entirely in a period theme. More than just an unrivalled weekend of historic racing, it is an immersive celebration of a less disposable world, where “Make Do and Mend” was a way of life rather than a casual slogan.

The Revival is, at its heart, a celebration of craftsmanship and sustainability, from an age when possessions were made to last and be cherished. It promotes a thoroughly modern ethos – to “reduce, reuse, repair, restore and recycle” – in the most authentic way possible. All the cars are original, having been lovingly

maintained since new, many of the outfits have been handed down through generations, and even the retailers specialise in pre-owned artefacts – everything from clothes and accessories to automobilia and books.

It is, proudly, the world's biggest and most glamorous second-hand event.
