Classics full of character

As always, the Goodwood Revival will showcase some of the most exquisite classic cars, motorcycles and planes as we celebrate with an extraordinary weekend of historic racing. On track, the Freddie March Memorial Trophy will host stunning sportscars from the late-1940s to early-1950s including the Jaguar C-Type, Aston Martin DB3S and the Allard J2X. Also set to race across the weekend are the likes of the Jaguar E-Type, Ferrari 250 SWB, Aston Martin DB4 GT and an impressive 30 MG Bs, taking part in their own dedicated race, the Lavant Cup. Earls raceway will also play host to a fleet of 1932 Fords for their 90th anniversary.

Drivers, riders and icons: we've got them all

Goodwood has long brought together competitors from across the spectrum of motorsport and this year is no exception, with almost 30 different racing championships due to be represented at the Revival. Joining us from the world of Formula 1 will be World Champions Jenson Button, Damon Hill and Sir Jackie Stewart, alongside former and current IndyCar drivers Max Chilton, Scott Dixon, Dario Franchitti and Jimmie Johnson, whilst on two wheels we'll have iconic riders such as Peter Hickman and Gary Johnson. The Revival will host a trio of honorary celebrations as we welcome timeless classics from Ferrari and Austin, and pay tribute to motor racing icon Graham Hill.

Pedal power: hold onto your hats!

Arguably the most competitive race over the weekend, the Settrington Cup, first seen at the Goodwood Revival in 2012, has become a firm favourite amongst visitors and of course the youngsters! As we celebrate a heart-warming 10 years of the beloved race, we will be joined by budding young racers aged between four and 11 as they take to their classic Austin J40 pedal cars. With a decade of cherished memories in the rearview mirror, we're looking forward to celebrating another year of the beloved race.

Oh so vintage!

As we prepare to bring to life the 'Make Do and Mend' ethos, we're looking forward to seeing our fabulous Revival community thrift, borrow and restyle items to embrace the glamorous styles of the 1940s, '50s and '60s. This year, we are excited to be launching the new [Revive & Thrive Village](#), hosting a spectacular line-up of [workshops](#), demonstrations, talks and exhibitions. This new event area will present a modern take on the post-war attitude as an antidote to today's disposable culture.

Off-track attractions

Away from the track, visitors can also enjoy the display at March Motor Works. This year the display will include a Rolls-Royce Phantom 2 Continental, BMW 28 GMC1, and an R5 motorcycle which belongs to The Duke of Richmond himself, whose grandfather bought it in 1936.

Fun for all the family continues Over The Road (quite literally!) as visitors to the event can enjoy all kinds of festivities whether that's making the most of the vintage fairground, exploring the Revival High Street or joining in with live music and dancing. Also don't miss the Revival Cinema presented by Sky Cinema, they'll be something for everyone - which blockbuster are you hoping to catch?

There's still time to join us next month at the world's greatest historic motor race meeting, with final tickets available at goodwood.com.

About the Goodwood Revival

The Goodwood Revival is the world's greatest historic motor race meeting, and the only sporting event of its kind to be staged entirely in a period theme. More than just an unrivalled weekend of historic racing, it is an immersive celebration of a less disposable world, where “make do and mend” was a way of life rather than a casual slogan.

The Revival is, at its heart, a celebration of craftsmanship and sustainability, from an age when possessions were made to last and be cherished. It promotes a thoroughly modern ethos – to “reduce, reuse, repair, restore and recycle” – in the most authentic way possible. All the cars are original, having been lovingly maintained since new, many of the outfits have been handed down through generations, and even the retailers specialise in pre-owned artefacts – everything from clothes and accessories to automobilia and books.

It is, proudly, the world's biggest and most glamorous second-hand event.
