About the Goodwood Revival

The Goodwood Revival is the world's greatest historic motor race meeting, and the only sporting event of its kind to be staged entirely in a period theme. More than just an unrivalled weekend of historic racing, it is an immersive celebration of vintage lifestyle, championing exceptional craftsmanship and the enduringly fabulous stories told by second-hand treasures. 'Revive & Thrive' is the thoroughly modern message woven through the Revival landscape; a clever stitch with which the old is made new again, it runs through every carefully restored classic car, each beautifully preserved piece of clothing as it is passed from one generation to the next.

It is, proudly, the world's biggest and most glamorous second-hand event.
