

## Jaguar unveils its most powerful road car ever at Goodwood

For Immediate Release: June 30th 2017

Jaguar unveiled its most powerful road-legal car ever at Goodwood earlier today. The mighty XE SV Project 8 is capable of 200mph, with 0-60mph taking just 3.3sec. Total production will be strictly limited to just 300 cars worldwide, each one being hand-assembled at the SVO Technical Centre in Warwickshire. Two versions will be offered: a two-seat, circuit-friendly Track Pack edition, or a road-orientated four-seater. This fabulous machine will be taking to the Hillclimb course during the Festival weekend. Expect fireworks!
