FRIDAY'S STEWARDS' REPORTS

1.50pm BOMBAY SAPPHIRE GLORIOUS STAKES (Group 3)

Approximately one and a half furlongs out, EMINENT (IRE), placed fifth, when dropping back had edged slightly right-handed causing the rider of SCOTLAND (GER), unplaced, to have to take a momentary check. After viewing a recording of the incident it was found that no riding offence was involved and it had not improved the placing of EMINENT (IRE).

2.25pm BONHAMS THOROUGHBRED STAKES (Group 3)

Permission was given for OSTILIO to wear a hood in the Parade Ring. The performance of THREADING (IRE), which started favourite and finished last of six runners, was considered. Mark Johnston could offer no explanation for the filly's performance, other than he felt it was a messy race. The Veterinary Officer reported that a post-race examination of THREADING (IRE) during routine testing, failed to reveal any abnormalities. Following the race, Andrea Atzeni reported that OSTILIO, placed second, lugged right-handed into the rail. The Veterinary Officer reported that a post-race examination of THREEANDFOURPENNY (USA), placed fifth, revealed the colt to be lame on its left-fore leg.

3.00pm UNIBET GOLDEN MILE HANDICAP

A query was raised with Andrew Balding to consider why there was a delay in declaring ZWAYYAN a non-runner in this race. Balding explained that his secretary had tried to declare the gelding a non-runner on the Racing Admin Site after the Vet Cert had been issued that morning, but had inadvertently failed to complete the process and the error had not been discovered until Balding had arrived at the course. As Weatherbys were able to verify that an attempt had been made to declare the horse a non-runner, no further action was taken. Permission was given for BORDERFORCE (FR) to go early to post. Just inside the final furlong MYTHICAL MADNESS, placed fifth, edged right-handed causing HAYADH, unplaced, to have to be checked. After this, C NOTE (IRE), unplaced, edged right-handed taking ESCOBAR (IRE), unplaced, off its intended line, at the same time as MYTHICAL MADNESS edged left-handed and as a consequence MASHAM STAR (IRE), unplaced, was left short of room and had to be checked by the rider. After viewing a recording of the incident, it was found that no riding offence was involved and it had not improved the placing of any horse. Following the race, Richard Kingscote reported that REPURCUSSION, unplaced, ran too free, Daniel Tudhope reported that ESCOBAR (IRE), unplaced, was denied a clear run, and Robert Havlin reported that SHADY MCCOY (USA), unplaced, was denied a clear run.

3.35pm KING GEORGE QATAR STAKES (Group 2)

Permission was given for BATTAASH (IRE) to be mounted in the chute, for TAKE COVER to go early and be led to post, and for STONE OF DESTINY and MAIN DESIRE (IRE) to wear a hood in the Parade Ring. Inside the final half furlong, MR LUPTON (IRE), placed fourth, edged left-handed causing the rider of HEARTACHE, unplaced, to take a momentary check. After viewing a recording of the incident, it was found that no riding offence was involved and it had not improved the placing of MR LUPTON (IRE).

4.40pm L'ORMARINS QUEENS PLATE OAK TREE STAKES (Group 3)

Permission was given for ONE MASTER to go early to post. An enquiry was held to consider possible interference inside the final two furlongs when there was interference between DANCE DIVA, unplaced, ridden by Paul Hanagan, and DANCING STAR, placed second, ridden by Oisín Murphy. After hearing the evidence and viewing a recording of the incident, it was found that no interference had taken place and that DANCING STAR had been denied a clear run having never had a sufficient gap to go through. Following the race, the Veterinary Officer reported that DAN'S DREAM, unplaced, was suffering from mild heat stress post-race.

5.15pm MALTSMITHS HANDICAP

Following the race, the representative of Charles Hills reported that GROVEMAN, unplaced, was unsuited by coming down the Goodwood hill.
