As the historic Goodwood Motor Circuit prepares to open its doors for the Goodwood Revival next week, here is a preview of what's to come:

On track-action

Serving as a landmark moment for historic motorsport, all races at the 2024 Goodwood Revival will take place exclusively using [sustainable fuel](#). With [thirteen thrilling races](#) across the weekend, the Motor Circuit will play host to an outstanding collection of racing classics from pre-1963 GT cars in the Stirling Moss Memorial Trophy to World Championship sportscars from 1955-1960.

D-Day

This year's Revival will mark the 80th anniversary of the D-Day landings with a special on-track parade. Over 100 military machines, which were instrumental during the D-Day landings of the Second World War, will be in attendance - both on track and on display - comprising the largest gathering of military vehicles at Goodwood. We are particularly honoured that the parade will welcome D-Day veterans John Dennett (Royal Navy) and George Chandler (Coastal Forces), as well as Chelsea Pensioners on Sunday 8 September.

Beach Buggy track opening parade

An impressive contingent of up to 100 pre-1966 [beach buggies and cars](#) will take to the track each morning to officially open the event. Spectators can expect to see an eclectic array of beach machinery, as we celebrate 60 years of the original Meyers Manx beach buggy.

John Surtees

The Revival will celebrate the exceptional career of [John Surtees](#) – to this day the only person to win World Championships on two and four wheels. Reflecting on a truly extraordinary legacy – which included seven motorcycle World Championships between 1956 and 1960, the 1964 Formula 1 World Championship, and the 1966 Can-Am Championship – the tribute to John Surtees will include everything from 250cc, 350cc and 500cc motorcycles to Grand Prix winners, unlimited sports cars and GTs.

Star drivers & riders

As ever, this year's Revival will bring together a [stellar line-up](#) of competitors from across the world of motorsport including 23-time Isle of Man TT winner John McGuinness MBE, nine-time Le Mans winner Tom Kristensen, seven-time NASCAR Champion Jimmie Johnson and four-time IndyCar Champion Dario Franchitti. Also joining us are Formula 1 World Champions Sir Jackie Stewart and Jacques Villeneuve, as well as former Formula 1 drivers Derek Bell, Karun Chandhok and Goodwood hillclimb record-holder Max Chilton.

All things vintage! Revive & Thrive

In 2024, the [Revive & Thrive Village](#) has moved to a new location, as the Revival continues to champion this strikingly relevant ethos. A series of workshops and demonstrations will hero heritage skills, sharing ways to reduce, reuse, repair, restore and recycle for authentic circular consumption.

Led by TV's Dominic Chinea and Micaela Sharp, the Revive & Thrive Workshop will host craft demonstrations, live restoration projects and drop-in sewing activities. The *new* Revive & Thrive fashion hub will bring together the Best Dressed competition, fashion shows and a host of very special guests as well as live music, great food and luxury pre-owned and vintage shopping.

Star-studded line-up

The excitement doesn't stop there, with the Revive & Thrive stage featuring an extraordinary lineup of speakers and experts. Taking to the stage are renowned model David Gandy, style activist Dandy Wellington, global icon Dita von Teese, Great British Sewing Bee judge Patrick Grant and Ruth Gemmell (Lady Bridgerton) along with many more names.

More than just cars! Off-track attractions

Fun for all the family continues around the event and Over the Road (quite literally!) as visitors can enjoy a variety of festivities. Whether that's making the most of the vintage fairground, exploring the Revival High Street, catching the Bonhams|Cars auction or watching a movie at the Revival Cinema presented by Sky Cinema.

Tyrrell Shed unveiling

After a sneak peek at the 81st Members' Meeting presented by Audrain Motorsport earlier this year, the Tyrrell Shed will be officially opened to the public on Sunday 8 September at 10am. As an important part of motor racing history, the Tyrrell Shed was saved from demolition and relocated to the Goodwood Motor Circuit. Visitors will have the chance to visit the Tyrrell Shed across the weekend which has been fitted out as the former home of the Tyrrell Formula 1 team.

Betty Richmond Driving School

New for 2024, the Betty Richmond Driving School celebrates 60 years since the first state-of-the-art simulators revolutionised driving education. Set on the picturesque Richmond Lawn, this unique experience will feature 1950s-style driving simulators with visitors able to have a go and challenge themselves to pass the ultimate driving test.

Wild Westhampnett

The theme of this year's main entrance takes its cue from the 75th anniversary of the first televised western on British television, with the area transformed into an immersive, theatrical experience as Wild Westhampnett.

Freddie March Spirit of Aviation presented by Bonhams|Cars

A staple of the Revival, the [Freddie March Spirit of Aviation presented by Bonhams|Cars](#) brings together some of the most elegant and rarely seen pre-1966 aircraft in a magnificent concours d'elegance. With an incredible line-up of planes on show - including a rare collection of Supermarine Spitfires - the exhibition highlights Goodwood's rich aviation heritage and celebrates Freddie March, the 9th Duke of Richmond, former aircraft engineer, racing driver and entrepreneur.

About the Goodwood Revival

The Goodwood Revival is the world's greatest historic motor race meeting, and the only sporting event of its kind to be staged entirely in a period theme. More than just an unrivalled weekend of historic racing, it is an immersive celebration of vintage lifestyle, championing exceptional craftsmanship and the enduringly fabulous stories told by second-hand treasures. 'Revive & Thrive' is the thoroughly modern message woven through the Revival landscape; a clever stitch with which the old is made new again, it runs through every carefully restored classic car, each beautifully preserved piece of clothing as it is passed from one generation to the next.

It is, proudly, the world's biggest and most glamorous second-hand event.
