

## Lamborghini Takes Centre Stage

9 September 2016

The term 'supercar' was coined specially for the Lamborghini Miura, and this template-setting beauty is celebrating its half-century in 2016. To mark this milestone, the marque is being honoured with a special themed display within the Earls Court Motor Show arena during the 2016 Revival Meeting. Models being exhibited span everything from a 1956 Lamborghini DL30 tractor to the very latest Huracán LP610-4 Spyder in addition to four striking varieties of Miura. Aside from Sant'Agata hardware, the exhibition area is also playing host to other great marques such as Maserati, Jaguar, Aston Martin and BMW, the latter honouring its centenary year with an array of new and landmark classics from its back catalogue.
